Contacted Mr. Kennedy (STE CAC) concerning more details on the DSM due to no heads up being offered. He confirmed that the Husband was the one to find the DSM and called 911. The Husband is also in the military. He also stated that both the parents of the DSM have been notified by the Husband. This information was confirmed through the assigned Chaplain, CPT Brown. DA also inquired about a SUPP for the cause of death and an initial report for the child. Mr. Kennedy said his office is working on both issues.

Contacted Ms. Joan (LEA CAC at 913-775-0849) to inform her that both parents have been notified and that condolence should be rendered to both parents. DA informed LEA CAC that there is a possibility that the parents may have left their home of residence and could be traveling to Fort Stewart. LEA CAC requested a script.

Contacted Agent Wes Toole (Fort Stewart, CID office) this morning and inquired if the Spouse (PFC Isaac Aguigui) is a person of interest. Agent Wes stated that he is unable to say whether or not the Spouse is a person of interest at this time. The autopsy is being performed this morning and upon review of the results, Agent Toole would be able to state whether or not the Spouse is a person of interest. Contacted SPC Tillotson (24th Financial Management Center) to suspend the Death Gratuity payment. SPC Tillotson called back and stated that their office submitted a request to DFAS for a recall of the Death Gratuity payment. Per SPC Tillotson conversation with DFAS, the payment has already been released but they will attempt to pull the payment back. SPC Tillotson will not know until later today upon her receipt of a response from DFAS informing her that their office was able to pull back the Death Gratuity payment. Mr. Plumey (Casualty Chief) was provided a status update.

SPC Tillotson, SFC Lapsley

ROSA.M.OATES

20 July 2011 Delayed Entry\*\*\*Contacted Agent Wes Toole (Fort Stewart CID) and informed that the autopsy was complete. Inquired with Agent Toole about whether or not if the Spouse is a person of interest and Agent West stated at this time the Spouse is not considered a person of interest. Contacted MAJ Pritchett (CMAOC Case Management) and informed her of my conversation with Agent Toole. Contacted SPC Tillotson (24th Financial Management Center) and informed her that the Death Gratuity payment could be resubmitted for payment. SPC Tillotson said that their office has to get DFAS confirmation that the initial payment was pulled back from the Spouse's account before a resubmission of the Death Gratuity payment. Per conversation with SFC Lapsley (CAO, Spouse), the Spouse informed him that USAA Savings Bank contacted the Spouse and informed him that DFAS had pulled back the Death Gratuity payment. It was explained to SFC Lapsley that as soon as the local finance office confirms that DFAS has pulled back the initial Death Gratuity payment, the claim for payment will be resubmitted.
